

The Acorns School

18th November 2016

Dear Parents/ carers,

Below is information received from Ofqual to update you on the changes happening to GCSEs.

“GCSE grades are changing

GCSEs in England are being reformed and will be graded with a new scale from 9 to 1, with 9 being the highest grade. English literature, English language and Maths will be the first subjects to be graded in this way from August 2017. The subjects with the highest numbers of candidates (e.g. arts, humanities, languages) will follow in 2018 and most others in 2019. This is happening as GCSEs are being reformed to make them more challenging, to keep pace with employers’ and universities demands.

In the first year each new GCSE subject is introduced, students who would have got a grade C or better will get a grade 4 or better. Students who would have got a Grade A or better will get a 7 or better in the first year. Grade 9 will be more difficult to achieve than a grade A*. The extra top grade will also make it easier for employers and universities to distinguish between the most able students

To see how the numbered grades compare to the current A* to G system, [click here](#) or Google "ofqual 9 to 1 postcard". More information about when subjects will switch to the new grades is available [on the Ofqual website here.](#)”

We have also included the “Ofqual 9 to 1 postcard” on our parent information page of our website for your information.

If you have any queries regarding our school curriculum please do not hesitate to contact me at the school to arrange a meeting.

Kind regards

Mrs L. Green

Deputy Headteacher
