

## Curriculum

**Rationale for topic choices in each year group:**

Pupils receive 3 hours of ICT weekly. Year 7-9 are taught together reflecting need. ICT is delivered through a range of 'Enterprise' projects designed to engage interests and develop an understanding of the business world. The teacher is a subject specialist and previously been a GCSE and @A@ level examiner at both ICT and Business Studies. The topics take into consideration the 'levels of progression using ICT' framework'. They will prepare pupils for the Key Stage 4 Enterp

### Long Term Plan: ICT

Year group	Autumn term	Spring term	Summer term	Schemes of work and further information	How are pupils assessed?
7	Exploring Enterprise What does this mean? Different types of enterprise What is an entrepreneur? Roles within a business. <b>Competition</b> What are competitors Methods to compete Understanding market research Survey Spreadsheet to track results (Excel)	E Safety (Serif movie plus) Creating a movie to inform about subject Using sound and images from internet and primary sources. <b>Create an enterprise</b> Logo Business Plan Location Source stock	<b>Access databases</b> Setting up tables Forms Reports Queries <b>Scratch</b> Create project learning Sequencing Variables Commands Then look at fitness for purpose Give and act upon constructive feedback	<a href="https://theingots.org/community/siel2u4">https://theingots.org/community/siel2u4</a> <a href="https://theingots.org/community/siel1u1">https://theingots.org/community/siel1u1</a> <a href="https://theingots.org/community/siel2u3">https://theingots.org/community/siel2u3</a> <a href="https://theingots.org/community/siel2u9">https://theingots.org/community/siel2u9</a> <a href="https://theingots.org/community/siel2u10">https://theingots.org/community/siel2u10</a> <a href="https://theingots.org/community/siel2u7">https://theingots.org/community/siel2u7</a>	Assessment is undertaken continuously using 'levels of progression using ICT' framework.
8	Exploring Enterprise	E Safety (Serif movie	<b>Access databases</b>		

	<p>What does this mean?          Different types of enterprise          What is an entrepreneur?          Roles within a business.  <u><b>Competition</b></u>          What are competitors          Methods to compete          Understanding market research          Survey          Spreadsheet to track results (Excel)</p>	<p>plus)          Creating a movie to inform about subject          Using sound and images from internet and primary sources.  <u><b>Create an enterprise</b></u>          Logo          Business Plan          Location          Source stock</p>	<p>Setting up tables          Forms          Reports          Queries  <u><b>Scratch</b></u>          Create project learning          Sequencing          Variables          Commands          Then look at fitness for purpose          Give and act upon constructive feedback</p>
